SIXTIETH REPORT

OF NATIONAL LIFE

President DeBoer Tella Policyholders of the Progress Made During the Past Year.

President Joseph A. DeBoer of the pany:-To the Policyholders:-

The directors and officers of the comany respectfully submit their sixtisth annual report. During the past year, the ompany had a gross income of 88,418,-275.40; an issue of new insurance, on a pald-for basis, of \$16.861,778.00, and at posed everlastingly to sunlight while standing maurance \$159,187,877.00.

The experience of the past year demwe can form but faint conception from onstrates conclusively the high character what we know on earth. Baked for of the company's field and medical servseems without letup and still baking, lee, its care in the selection of investbe a Tophet surpassing our powers ad- ments and the scentific accuracy of its equately to portray. And unshielded it actuarial assumptions. The results must be, as we shall presently see achieved by reason of these facts are Reversely the other must be a hyper-indicated by the consistent gains made borean expanse to which our polar re- by the company in every important degions are temperate abodes, for upon partment of its work. As compared with one whole hemisphere of Venus the the year preceding, the gains were as sun never shines, never so much as follows: In insurance premiums and anpeeps above the sfar studded horizon.
